

# U.S. PROGRAM APPLICATION PROCESS

1. Complete the [online application](#)
2. You Travel & Teach (YT&T) staff will review your application, and if you are eligible for participation in the program based on the criteria laid out on the [FAQ page](#), you will be invited to a preliminary interview.
3. During the preliminary interview, YT&T will discuss your application, review more details about the program and answer any questions you may have. If after the preliminary interview, YT&T believes you are a competitive applicant to work at a U.S. summer camp, you will be formally invited to begin the U.S. summer camp application process.
4. If you decide to continue in the process, there is an associated non-refundable **\$50.00 USD program fee** that must be paid to You Travel & Teach. This fee covers administrative costs associated with preparing your application to the U.S. summer camps. Payment can be made [here](#) via the website.
5. After the program fee is paid, you will complete your U.S. summer camp staff application. YT&T will assist you in this process, and will conduct an additional, formal interview that will be added as a part of your program application.

6. Once your application is complete, and has been reviewed by the YT&T team, it will be sent off to U.S. summer camps for their review. Any camps that are interested will contact you for an interview. YT&T will assist you in preparation for any interview opportunities that are offered.

7. If after the interview the camp is interested in hiring you, they will send you a formal written contract stipulating program dates, total payment, your schedule including days off, and more.

8. If you accept the offer and sign the contract, then our partner United Studies will begin the process of issuing your visa paperwork. At this point, you are officially a part of the U.S. program - congratulations!

9. Prior to receiving your visa paperwork, you must pay the remaining **\$250.00 USD program balance** to You Travel & Teach for your participation in the program. Payment can be made [here](#) via the website. You will not be issued your visa paperwork until the balance has been paid in full, or a written agreement has been reached with You Travel & Teach regarding payment. If you are denied your visa, are unable to obtain a visa, or are unable to travel to the U.S., any refund of the program balance will be at the sole discretion of YT&T.

10. Once the program balance has been paid and you have received your visa paperwork, then you should solicit an appointment at the nearest U.S. embassy. YT&T will support you in this process. It is essential that you attend the embassy appointment with all of the required paperwork.

11. Once you have been issued a visa at the embassy, you can book your round trip ticket to the U.S.

12. YT&T will be in regular communication with you up until the day of your flight to the U.S., and will continue to check-in on periodically during your program in the United States.
